

Ashburton River Mountain Bike Tracks

GRADE 3

MTB LOOP

Running along the Ashburton River adjacent to town is Mountain Bike Ashburton's purpose built 11.5km mountain bike track. The loop is well sign posted to guide riders through the named sections in a clockwise direction. It is suitable for all skill levels but caution should be taken by less experienced cyclists. There are several optional harder features. Walkers should avoid this track and use the walkway where possible.

GRADE 2+

SKILLS PARK

An area developed by Mountain Bike Ashburton as a hub for riders to practice and improve their skills. We have various pump tracks, jumps, rock gardens and wooden structures of varying difficulty.

GRADE 2

ASHBURTON / HAKATERE RIVER TRAIL

Following the north side of the Ashburton River, you can ride from Trevors Road 17km to Hakatere Huts at the river mouth. It's a dual direction track for cyclists, walkers and horse riders.

GRADE 1

LAKE HOOD TRAIL

The Lake Hood Trail follows the south side of the river from Ashburton to Lake Hood. It is a wide, dual direction track suitable for cyclists and walkers of beginner skill level. The distance to the Lake is 8km from which you can continue around the lake, cycle back to town or be picked up.

GRADE 2

SOUTH EXTENSION

The South Extension was built by ECan for access to the river banks but has been opened to walkers, cyclists, horse riders and motorbikes. The track hasn't been formed specifically for cycling so can be challenging. ECan are extending the length annually.

GRADE 2

RIVER WALKWAY

This track was created primarily for walkers, runners and dogs to avoid collisions with cyclists on the busy MTB Loop. Beginner cyclists may also take this route.

NO HORSE RIDING NO MOTORBIKES RIDE AT OWN RISK ALL DOGS TO BE KEPT ON A LEASH

Get Involved

The MTB Loop and Skills Park are built and maintained by volunteers of Mountain Bike Ashburton. If you regularly use these tracks please consider becoming a member, contributing via our donation box (located at the Skills Park) or donating through our website. For all enquiries including trail maintenance, sponsorship, membership or to report a problem please don't hesitate to get in touch!
