

SPONSORSHIP INFORMATION

Introduction

Mountain Bike Ashburton is looking to continually improve, extend and upgrade the cycling & walking tracks and the scenery along the Ashburton River. Over the last 5 years members have planted several thousand native plants to enhance the environment of the ACL Skills Park & River trail loop. Our club has been running since 2010 and over this time members have put countless hours into building & maintaining the Mountain Bike Loop, River Walkway & Skills Park Area.
